A Message From Our Director

In 2025 we continued to supply all of our usual programming and added new events like our Adult Craft Night where we learned to decoupage, create butter lambs and painted ornaments! Our summer reading program “Color Our World” was especially fun as we explored painting, ate all the colors of the rainbow (dragon fruit was an unexpected hit), and had a bubble dance party. This year we also partnered with FeedMore WNY who came with their farm truck on the first and third Fridays of the month. We continue to supply interesting items through our Library of Things collection: Museum passes, corn hole, projectors, metal detector, button maker, disc golf, and pickle ball rackets are just a few of the things we offer.

We are always delighted when patrons of all ages come through our doors to attend programs, peruse and checkout our collection of books, magazines, CDs, DVDs, and blu-rays, make use of our computers, photocopier, and fax machine or just hang out by the fireplace. I look forward to continuing our service to the community of North Collins—providing excellent programming, useful resources, and a welcoming environment. Come in and say hello! —**Alice Yoder, Library Manager**
