Dear North Collins Library Community:

2019 was a great year for the library, we continued our mission of providing books, DVDs and other materials to the community. We expanded our collection to include a collection of “things” which can be checked out and used by those in the community.

We also expanded our hours of operation by opening the library on Sunday's year round. This change has been well received by the community.

The library continues to be a great place for the community to gather and experience a variety of educational programs. Participation in these programs increased over 2018.

We look forward to a great and productive 2020.

North Collins Public Library

Services
