
Year in Review - 2019

The Orchard Park Library has something to offer library users of every age. The Library is a busy place, offering popular Toddler Time, Lapsit and Story Hour programs for younger children as well as ongoing event programming for school age children, including the popular Lego Club and Maker Space. Teens stay engaged with our monthly Teen Service Group. Adult programming includes computer training classes, BPOventions, the Friends' sponsored 4th Tuesday Speaker series, and featured special interest programming. Several community book clubs also meet here monthly.

We continue to review and assess the services and programs we offer at the Library and are always trying to improve and enhance our services to the residents of this community.

The Siberian Husky Club of Niagara Frontier brought their ever popular Husky ambassadors to highlight the annual Iditarod Sled Dog Race. Kids and canine smiles all around!
