# Year in Review - 2022

The Orchard Park Library has something to offer library users of every age. The Library has resumed many of its popular in person programs. Early childhood Baby & Toddler Times, and Pre-K Story Hour resumed with increased registration. Other on-site programming for children of all ages continued with popular Take & Make craft activity kits. Younger patrons stayed engaged with passive scavenger hunts and prize incentives. Guest entertainers were welcomed back for interactive programs. We continue to review and assess the services and programs we offer at the Library and are always trying to improve and enhance our services to the residents of this community.

## Movie Night!

Movie nights in cooperation with the historic OP Depot – summer screenings on the lawn with Moana and Luca + popcorn of course!

## Thanks to So Many People!

The Friends of the Orchard Park Public Library continued their generous support of our Library in 2022.

The Friends are responsible for Library Book Sales and once again began receiving book donations on a limited basis as sales resumed. They also fund a scholarship for graduating HS seniors, as well as many of our children's programming initiatives and contributed to supplies for on-going youth engagement.

### Thanks Also To...
