 Buffalo & Erie County Public
LIBRARY

Year in Review - 2024

As one of the busiest locations in Erie County, the Orchard Park Public Library has something for patrons of all ages. We offer several early childhood Storytimes, from birth to pre-K, to ensure that everyone is ready for school. The fun doesn't stop there, as we also host several ongoing programs for families such as LEGO Club, Comic Book Club and Family Craft Night. The Library's Book Club, along with our Master Gardeners and In Good Health Speaker Series' attracts adults from far and wide. We will continue to offer the very popular Seed Lending Library to help us grow and beautify our neighborhood. We always look for new and exciting offerings that will be of interest and we are excited to share them with YOU, our community.
