**Discussion: Possibilities for Library Space**

Rob Kubiak presented a first draft of a community survey to discover the various needs of patrons. Discussion regarding the survey included

- Changing the name to "Orchard Park Public Library Community Survey"
- Add questions regarding adequate space for programming/events
- Focus on space expansion that support programming as a priority
- Priority ranking for improvements

Rob Kubiak will update the survey with the feedback and Tom Carloni will print copies of the survey for the Board to review at the July meeting. After the survey is approved, a QR code will be created for the community to access at events.

**Disaster Plan Outline**

Tom Carloni stated that NYS Minimum Requirements call for an updated Disaster Plan by January 1, 2027 with a more comprehensive plan than our current Emergency Procedures Plan.
