THE ATLAS OF US - **KRISTIN DWYER**

ANTICIPATED PUBLICATION 1/9/24

In a last-ditch effort to pull her life together, Atlas James is working on a community service program rehabbing trails in the Western Sierras.

The only plus is that the days are so exhausting that Atlas might just be tired enough to forget that this was one of her dad's favorite places in the world. Before cancer stole him from her life, that is.

Using real names is forbidden on the trail. So Atlas becomes Maps, and with her team —Books, Sugar, Junior, and King—she heads into the wilderness. As she sheds the lies she's built up as walls to protect herself, she realizes that four strangers might know her better than anyone has before.

ALEX RIDER: NIGHTSHADE REVENGE - **ANTHONY HOROWITZ**

ANTICIPATED PUBLICATION 1/16/24

This much-awaited new book in the bestselling Alex Rider series continues Alex's fight against the deadly assassins encountered in the last book, *Nightshade*. Alex still has unfinished business with this sinister group made up of brainwashed children, not least trying to reunite MI6 chief Mrs Jones with her long lost son and daughter. The adventure takes us deep into the life-changing world of augmented reality, where even Alex will struggle to succeed against the technology. With daring chase scenes, a brilliant immersive gaming sequence, and a nail-biting final showdown, this new adventure brings the world's best-loved teen superspy his biggest challenge yet.
