The First to Die at the End – Adam Silvera

In this prequel to #1 New York Times bestselling phenomenon *They Both Die at the End*, two new strangers spend a life-changing day together after Death-Cast first makes their fateful calls.

It's the night before Death-Cast goes live, and there's one question on everyone's mind: Can Death-Cast actually predict when someone will die, or is it just an elaborate hoax?

Orion Pagan has waited years for someone to tell him that he's going to die. He has a serious heart condition, and he signed up for Death-Cast so he could know what's coming.

Valentino Prince is restarting his life in New York. He has a long and promising future ahead and he only registered for Death-Cast after his twin sister nearly died in a car accident.

Orion and Valentino cross paths in Times Square and immediately feel a deep connection. But when the first round of End Day calls goes out, their lives are changed forever—one of them receives a call, and the other doesn't. Though neither boy is certain how the day will end, they know they want to spend it together...even if that means their goodbye will be heartbreaking.

Spells for Lost Things – Jenna Evans Welch

Willow has never felt like she belonged anywhere and is convinced that the only way to find a true home is to travel the world. But her plans to act on her dream are put on hold when her aloof and often absent mother drags Willow to Salem, Massachusetts, to wrap up the affairs of an aunt Willow didn't even know she had. An aunt who may or may not have been a witch.

There, she meets Mason, a loner who's always felt out of place and has been in and out of foster homes his entire life. He's been classified as one of the runaways, constantly searching for ways to make it back to his mom; even if she can't take care of him, it's his job to try and take care of her. Isn't it?

Naturally pulled to one another, Willow and Mason set out across Salem to discover the secret past of Willow's mother, her aunt, and the ambiguous history of her family. During all of this, the two can't help but act on their natural connection. But with the amount of baggage between them—and Willow's growing conviction her family might be cursed—can they manage to hold on to each other?

Anne of Greenville – Mariko Tamaki

This is the story of how I became Anne of Greenville. It's also the story of how I found my true true, and how I needed to maybe come to Greenville, of all places, to make that happen.

In this modern reimagining of *Anne of Green Gables*, Anne is an ABBA-loving singer/actor/writer of disco-operas, queer, Japanese-

American who longs to be understood for her artistic genius. Recently relocated to middle-of-nowhere Greenville and starting at a new school, Anne has a tendency to A) fall in love quickly, deeply, and effervescently and B) fly off the handle in the face of jerks. Both personality quirks quickly come into play when the soccer team boos the premiere of her disco performance, which—in a roundabout way—introduces her to her new BFF, Berry, and she soon after meets the girl of her dreams, Gilly.

Falling quickly into that age-old trap of ignoring the best friend for the new crush, Anne soon becomes embroiled in a series of dramatic and unfortunate events, and quickly finds herself wrapped up in a love triangle she never expected. Is she MTB with Gilly? Or is Berry her true soul mate? Only time (or 304 pages) will tell.

In this coming-of-age novel by fan-favorite author Mariko Tamaki, see the classic tale in a whole new light. Refreshingly bold and unapologetically unique, *Anne of Greenville* will make you want to stand up and sing!
