

Year in Review - 2015

The Orchard Park Library has something to offer library users of every age. The Library is a busy place, featuring popular Toddler Time, Lapsit and Story Hour programs for younger children and ongoing event programming for school age children, including the popular Lego Club. Teens stay engaged with our monthly BookendS Club. Adult programming includes monthly computer training classes, BPOvations at the Friends sponsored 4th Tuesday Speaker series. Several community book clubs also meet here monthly.

We continue to review and assess the services and programs we offer at the Library and are always trying to improve and enhance our services to the residents of this community.

Teens in grades 5 - 12 were invited to "check out" different careers by having a conversation with working professionals, representing a variety of different disciplines. Featured "human book" photo op is B&ECPL CEO/Director Mary Jean Jakubowski.

Teen Services

We continue to promote services to the tween & teen populations with the expansion of library collections including fiction, graphic novels, popular series, and downloadable content.
