(with LEGO bricks you already have at home)

This LEGO build is based on Jennifer Kemmeter's series "Build It! Make Supercool Models with Your LEGO Classic Set " Which is available at your local library and as an ebook!

These are the bricks you will need to find before you start building. The color doesn't matter just the size and shape of the bricks. To find out how to build this design visit the Orchard Park Library's Facebook Page for a Quick Build video, or check out the book for step-by-step instructions.
