

SEND YOUR SUMMER READING LIST!

Each year, the Buffalo & Erie County Public Library posts summer reading lists from area schools on our website, www.BuffaloLib.org. We invite you to submit your school's reading list for inclusion. Here is a link to our Summer Reading List page: www.BuffaloLib.org/books-movies-music/summer-reading-list.

Please email your list in PDF format to Chelsey Lonberger at lonbergerc@buffalolib.org. PDFs must be searchable to ensure accessibility. A PDF is searchable if a reader can invoke Ctrl+F (Windows and Linux)/⌘ +F (Mac), type a word in the search box and use it to find the word in the document.

Please use this naming convention when sending in your school's reading list:

SCHOOL NAME – GRADE – YEAR

Did you know that some reading list titles may also be available in downloadable eBook and eAudiobook formats? Check the Library's catalog to see what is available. A valid Buffalo & Erie County Public Library card is needed to download and borrow eMaterials. If a copy is checked out, a patron may place a request for that title.

Visit your local Library location or check the Buffalo & Erie County Public Library website, www.BuffaloLib.org, for upcoming Library events for you and your students.
