Fundraising

The Friends of the Library raised \$1,088 from their ongoing book sale! Funds were used for programs, events, furnishings, and supplies.

Through fundraising efforts, the library was able to purchase new picture book and book sale shelves. Look forward to us continuing to do the most we can to make the library a welcoming, comfortable, and fun place to be!

Now, we look forward to what the future brings, like the return of programs that we've missed so much. On behalf of all of us here at the City of Tonawanda Public Library, thank you!
