

Deception Awareness
and Resilience Training

Protect Yourself from Scams

Scammers often target older adults by phone, email, text message, and even regular mail. The good news is that you can learn simple ways to recognize their tricks and protect yourself and your loved ones.

Protect Yourself from Grandparent Scams

Learn how to:

- Recognize grandparent and other impersonation scams
- Understand how scammers create a false sense of urgency
- Practice safe ways to respond
- Build simple habits to help prevent fraud

Interactive and Easy to Follow

This workshop will include discussion and practice activities that help build confidence in spotting scams.

Participants will also have the opportunity to provide feedback to help improve educational programs for older adults.

Play. Practice. Protect.
