

AARP FOUNDATION TAX AIDE PROGRAM IS LOOKING FOR VOLUNTEERS FOR THE UPCOMING TAX SEASON

For over 50 years the *AARP Foundation Tax Aide* program has offered free tax filing services to anyone who cannot afford a paid tax preparer. If you have some time available to help your neighbors and can use a computer or if you just like to be with people, we have a job for you!

Training and equipment are provided for whatever position you decide on. Tax preparers receive IRS certification after training. Training for new volunteer tax preparers starts in November. Further training for all volunteers occurs in January and tax preparation commences in late January/early February.

If you are interested in joining our fantastic team, go to: www.aarpfoundation.org/taxaidevolunteer and click on the Red **Volunteer** button – this will take you to the main Tax Aide Application form – fill out the required fields. After completing the application click on the **Submit** button at the bottom of the screen.
